AWHONN IOWA ANNUAL FALL CONFERENCE

Call for Poster Presentations

We know you're doing great stuff out there, and we want to hear about it!

The Iowa AWHONN Conference Planning Committee seeks research, innovative program, and case study posters.

- Poster presentations provide an opportunity to share new evidence supported by research, an innovative program implemented in a variety of practice settings, or a case study of a patient care issue.
- These posters will address challenges in women's health, obstetric and neonatal nursing practice, education, or administration.
